

New Online Commissioning Toolkits

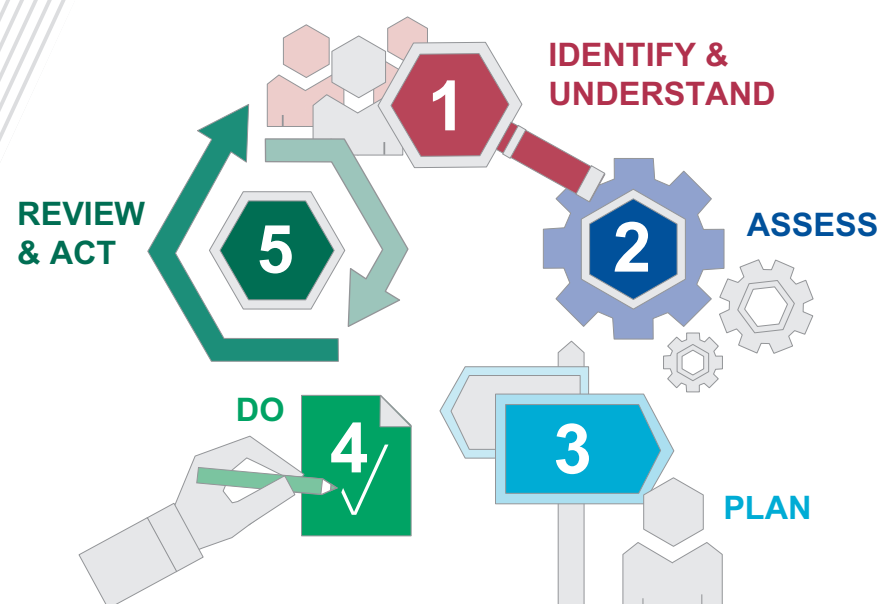

Supporting the commissioning process for evidence-informed patient care

Evaluation Works

Helping you to...

- ✓ Improve services and outcomes
- ✓ Determine value and effectiveness
- ✓ Make informed decisions

Evaluation Works will allow you to build appropriate evaluation into the commissioning cycle, in turn improving the quality of care and outcomes for patients.

Evidence Works

Your complete guide to...

- ✓ Finding
- ✓ Appraising
- ✓ Applying evidence

Evidence Works will help you to successfully provide evidence-informed commissioning in your decision making for new and existing services.
